

NAWIC SPONSORSHIP PROGRAM (NSP)

NAWIC (National Association of Women in Construction) was established in 1953 by 6 women who wanted to support women in the construction industry. NAWIC is an IRS 501 (c)(6) not-for-profit organization and is governed by a Board of Trustees. NAWIC is mostly supported by members, sponsorships, and donations. Your financial support helps educate adults and children through various NEF (NAWIC Education Foundation) programs, as well as Scholarship Programs.

NAWIC Sponsorship Program (NSP) is designed to provide distinct ways to market your company to NAWIC members locally and regionally. NSP provides opportunities for corporate support and outreach through sharing markets, experiences and business prospects. Just as important though, the program also gives sponsors access to NAWIC's resources through networking, educational courses, publications and contracting opportunities.
